Air Show Report: Bruce Marlow

EAA Pancake Breakfast, ~400 served

County created extreme difficulty for permits, for example, for the Brew Fest, county wanted permits for each table. Resolved with great difficulty.

Difficult getting food vendors. Either the vendors were booked up or they didn't want to deal with the Nevada County Health personnel. Only had 3 vendors at the air show.

EAA Hangar Storage Area

Hired outside help to clean the hangar storage area. GEFA paid \$100 and EAA paid \$100. Board approved of the \$100 paid by the EAA.

EAA Officer Nominations

Two officer positions remain open, President and Vice President.

Meeting adjourned: 5:55 pm.

Respectfully Submitted,
Paul Bevelhymer,
Secretary
